Press Release: Variety - The Children's Charity

### Long Bay All-Access Playground Launch -Saturday 26 November, 2011

Auckland's latest all-access playground for children of all abilities opens this weekend, in the Long Bay Regional Park.

The Variety – The Children's Charity playground is designed to be accessible by children, parents and caregivers of all abilities. Featuring rubber mats to allow children in wheelchairs to easily move around, to specially designed play equipment, this playground encourages children of all abilities to play together.

Spacious concrete paths provide easy access to the playground activities, and the design follows the natural landscape with stunning views of Long Bay's natural coastline. Swings, a seesaw and Spacenet all feature in Stage 1 of the redesign, while the ever-popular Flying Fox has been retained and refurbished for future generations to enjoy.

Stage one of the playground will be formally opened by Auckland City Mayor Len Brown at 11am, Saturday 26 November.
